

Working with Children

Required by ALL Coaches and Team Managers

The Working with Children (WWC) Check helps protect children from physical and sexual harm. All clubs must ensure coaches, team managers, committee members and any other individuals working directly with children are compliant with this legislation. For more information about requirements select the following link: [Who needs a WWC Check?](#)

Clubs must take a zero tolerance approach to non-compliance with WWC requirements – this puts clubs, the association, and most importantly children at risk.

The WWC details (card number and expiry date) must be provided to the club enquiries@langwarrinlazers.com.au

Note:

- WWC checks are free for all persons in volunteer based positions
